Situated front line to the famous Seve Ballesteros designed golf course in Alhaurin Golf, this development is a product of the economic crash of 2008 and was valued at just under 3 million euros prior to 2008. The existing plot is just under 8,000M2 with a total build allowance of 5,500M2 allowing for a total of 18 townhouses with an average build of 300M2 per property.
