This large plot of land is located in the countryside just outside of the town of Coin with a good access road. From its elevated position you have superb views across the countryside and the Sierra de las Nieves mountains. The plot is currently on paper separated into six smaller plots but is being sold as a complete plot of land, this is an excellent investment as due to the new law in Andalucia these plots can be divided into 3 larger plots and each plot can have a villa of 300m2 built. The town of Coin is approximately a five minute drive away where the main roads to both Malaga and Marbella can be accessed.
