These elements create a visually stunning aesthetic, ensure durability, and foster harmony with the Mediterranean landscape, resulting in modern, environmentally conscious homes.

An Immersive Artistic Experience

Art is a foundational pillar permeating every aspect of the living experience. Residents are surrounded by exclusive art pieces, transforming homes and communal spaces into an inspiring, living gallery. This commitment to culture extends to the nomenclature; four distinctive blocks are named after celebrated contemporary artists: Leiro, Brinkmann, Darko, and Alfil. This integration ensures every glance offers contemplation, every corner inspiration, fostering an environment where creativity and beauty are celebrated daily, elevating the residential experience.

Sophisticated Homes Designed for Light and Space

The diverse homes cater to varied needs, spanning sophisticated 2-bedroom units to expansive 3 and 4-bedroom residences. Each home—Deluxe Apartment, Garden Villa, Sky Villa, or Sky Penthouse—is conceived as a sanctuary of light and space. Interiors feature diaphanous layouts and generous proportions, designed for open, fluid living. Elongated sliding doors are crafted to flood spaces with natural light and seamlessly extend indoors outwards, allowing residents to immerse in breathtaking vistas, connecting perpetually with the stunning Fuengirola landscape.
