Málaga Towers Vision. Exclusive and luxurious residence in one of Málaga's most promising areas! Boasting stunning views, this corner apartment offers a spacious living-dining room that opens to a private terrace with an elegant glass wall, providing uninterrupted panoramic views of the sea. The modern open-plan kitchen, along with two cozy bedrooms and two stylish full bathrooms, equipped with showers and Japanese bathtubs, add a touch of sophistication to your home, making this apartment truly exceptional. The sale price includes two covered parking spaces in the basement area, one with an electric car charger installation and the other with pre-installation. Additionally, a practical storage room is included. Málaga Towers, designed by the prestigious Estudio Lamela, is an ambitious project consisting of three towers, each with 73 homes distributed across 21 floors, ranging from 1 to 4 bedrooms, all facing the sea. This complex offers the perfect combination of apartment amenities and luxury villa quality. With completion scheduled for December 2025, its location is unbeatable, just minutes from the port, airport, AVE station, and Málaga's historic center. Furthermore, Málaga Towers offers a wide range of exclusive services for its residents, including three swimming pools (one heated), a spa, a 200 m² gym, a solarium with an infinity pool, a coworking area, a children's playroom, an elegant pool bar on the top terrace, and 24-hour security, ensuring the utmost comfort and peace of mind. Don't hesitate to get in touch for more information.
