Conceptualised and brought to life under the distinguished seal of the acclaimed architect Manuel Ruiz Moriche, The Sanctuary stands as a testament to innovative design and harmonious integration with its surroundings. Moriche’s vision for this unique piece was rooted in a profound appreciation for nature, a steadfast commitment to sustainability, and an acute understanding of light, natural materials, and an inherent bespoke design. These core elements converge to forge an environment that is not only visually stunning but also deeply resonant with a sense of peace and belonging, setting a new benchmark for luxury living in this prestigious enclave.
