A rare turnkey hospitality investment in the heart of Benahavís, ready to reopen with exciting business and tourism potential. An exceptional opportunity to acquire a fully fitted hospitality business in the heart of Benahavís, one of the Costa del Sol's most attractive gastronomic and lifestyle destinations. Situated on Avenida Andalucía, the main street of Benahavís, this multi-level property benefits from a prominent position, excellent visibility and a street-facing terrace, offering an attractive setting for a restaurant, café or social venue. With approximately 610 m² built area and 470 m² of usable interior space, the property combines established hospitality facilities with considerable potential for further business development. The ground floor features a fully equipped café of approximately 87 m², including kitchen, bar and service infrastructure, together with a spacious social club of approximately 194 m². Both areas are furnished and fitted, providing an excellent foundation for a new operator. A TURNKEY BUSINESS READY TO REOPEN The existing café and social club are functioning hospitality spaces and are described by the owner as ready to reopen under new management, subject to the applicable licences and approvals.
