Descripción

58 hectares in Coin with unlimited water. Fantastic farm in Coin bordering Rio Grande, fenced and with very good access. There are two warehouses on the farm, one of 600m2 and the other of 400m2. It also has 3 homes to reform deeded as homes. It is divided into several plots The farm borders the river, the well is approximately 10 meters from the river. It has 2 pumps of 40 hp that take out 54 cubic meters per hour and the cistern has a capacity of one million liters. At the moment: 10,000 OLIVE TREES 5,000 AVOCADOS 18,000 ORANGE TREES. On the farm you can plant more since there are unplanted pieces. Ideal for planting avocados. We have soil and water analysis. Road access. Link Video Drone https://youtu.be/_q6sqdH8Vvc
