In the vibrant heart of Málaga, in the emblematic El Ejido neighborhood, there's a home like no other. A place that offers not just space, but stories to be written, moments to be lived, and light… endless light. Located on the fifth floor of a building with an elevator, this unique property is the result of two apartments merged into one. The result is stunning: five bright, exterior bedrooms, two spacious bathrooms, a welcoming kitchen where every meal feels like a celebration, and a cozy living room that invites you to share, rest, and gaze at the sky from its private terrace. But there's more. Like a hidden treasure, the home also includes an independent studio with private entrance, built-in kitchen, and bathroom—ideal for guests, remote work, or rental income with total privacy. Every inch of this space is designed to offer freedom, intimacy, and comfort. This isn't just a large home. It's a generous one. A home that shelters. Perfectly located, just steps from the University of El Ejido, the Conservatory, and Málaga's cultural center. Surrounded by schools, supermarkets, parks, health centers, and all the services you may need. Only five minutes' walk from Plaza de la Merced, where Málaga beats at its liveliest. And if all that weren't enough, there's also the possibility of purchasing a garage space and storage room just 50 meters away. Because when a home has it all, it also cares about the details. This is not just a place to live. It's a place to feel, enjoy, and share. A space for big dreams and quiet moments. A home where each day begins with light… and ends with peace. Come see it. And let it move you.
